Feeby we acquired from Jordan Ritz of Ritz Land and Cattle. Feeby is a quality animal with some very good old genetics. When Jordan got her in a package deal with some other Highlands it was not disclosed that she had mastitis. We told him that we would take a chance on her and if need be supplement her calves. We found out that she did have a dead quadrant in her udder from mastitis but has been able to raise 2 successful heifers and 1
