

Lazy Vista's Nemo (PV,D)

Date of Birth: 04/08/2024
Registration 1: Pending

Courtesy of Lazy Vista Ranch

Lazy Vista's Nemo is the last calf that J bar T's Heather produced, and the last natural service from LSR Orion on our ranch. His birth weight was an impressive 83 lbs and his weaning weight at 6 months was 452 lbs. He is a very structurally correct young bull. We will continue to monitor this young lad to see if he gets to carry on the Lazy Vista name as a herd sire.
