This little lady is near and dear to my heart! Nevaeh (heaven spelled backwards) was born 2 1/2 weeks early. No assistance in birth and stood shortly after birth, however had a rough start and did not nurse for 2 days. We gave her colostrum and bottle fed for 2 days. All this was going on while my grandfather was laying in the hospital dying. I was not going to lose this heifer also! On 9/16/24 Nevaeh found the udder and nursed without
